EXTENSION OF THE FOURTH COUNTRY PROGRAMME FOR GUYANA

Note by the Administrator

Corrigendum

Paragraph 1

For the existing text substitute

1. The fourth country programme for Guyana was approved by the Governing Council at its special session in February 1987 for the period 1987 to 1991. The process leading to the formulation of the fifth programme has been delayed since preparations for general elections have been the focus of national attention and internal consultations have not yet been completed. The Government has therefore requested that the fourth programme be extended by one year.
